

## **Sub: Notice for Advance Admission in 2<sup>nd</sup> Semester**

Date: 6.2021

Normally, admission to 2<sup>nd</sup> Semester of Diploma in Railway Engg. are started in the month of March after conducting exams of 1<sup>st</sup> Semester in February.

During this year, due to COVID 19, instead of original schedule i.e. Feb, it was planned to conduct exams in the month of May'2021 but could not be conducted in May also because of prevailing situation of COVID and declaration of lockdown. All out efforts are being made to conduct the exams as soon as situation of COVID improves.

In normal schedule, after holding exam of 1<sup>st</sup> Semester, there is a gap of about 9 months for admissions / exams of 2<sup>nd</sup> Semester but due to delay in conducting exams of 1<sup>st</sup> Semester, this gap is being reduced day by day.

To overcome above issue, it is notified that all the Candidates of 24<sup>th</sup> batch who had applied for 1<sup>st</sup> Semester in 2020-21 are permitted for taking admission in 2<sup>nd</sup> Semester before actual appearing in 1<sup>st</sup> Semester so that other actions like admission formalities /sending of study material may be done in advance before the exams of 1<sup>st</sup> Semester are conducted. This will facilitate to have sufficient gap for preparation of 2<sup>nd</sup> Semester as study material etc. will be sent in advance before actual exam of 1<sup>st</sup> Semester. However, they will be allowed to appear in 2<sup>nd</sup> Semester after actual appearing in 1<sup>st</sup> semester.

In view of above, all the Candidates of 24<sup>th</sup> batch (2020-21) are advised that they may take admission in 2<sup>nd</sup> Semester in advance by sending the duly filled form (attached with this notice) along with DD of Rs. 3540/- (including GST) in case of Railway Employee and DD of Rs. 4130/- in case of Non Railway personnel to IPWE office, Room No.109, NCRPU Building, Behind Shankar Market, Connaught Circus, New Delhi – 110001. Payment in cash is also accepted at our office mentioned above.
